

Performance Measurement: Resources

What other resources are available on performance measurement?

- [The Performance Institute](#)
- [Mercatus Center](#)
- [Education Indicators: An International Perspective](#), by the National Center for Education Statistics, is a compilation of indicators from a multitude of data sources which provides a rich array of information on the current state of education internationally. They are intended to provide snapshots of the U.S. education system in comparison to systems in countries around the world.
- [Best Practices in Performance Measurement](#), National Performance Review
- [Handbook on Monitoring and Evaluating for Results](#), United Nations Development Program
- [Performance Measurement for Government](#), Government Accounting Standards Board
